

PROJECT:

NEW HOME CONSTRUCTION

The Daniel

Two Story

PROJECT DESCRIPTION:

This captivating 2-story design with wrap-around porch, 4 bedrooms, 2.5 baths is perfect for entertaining with the two-story family room and open kitchen area. Also includes a formal dining room and a 3-car garage. *Customizing is available.*

TESTIMONIALS:

You are like family to Cachey Builders from the time you step into the model to the time you close on your beautiful new home and even after that. Thanks again!
