

PROJECT:

**NEW HOME
CONSTRUCTION**

The Kenneth

Two Story

PROJECT DESCRIPTION:

A spectacular design with 4 bedrooms and 2.5 bathrooms. This home has a two-story foyer, open family/kitchen area, living room and a 2-car garage.

TESTIMONIALS:

We would like to thank you, it's a Dream come true to finally build our home. It was a great experience and we met a lot of good helpful people.
