

**PROJECT:**

**NEW HOME  
CONSTRUCTION**

**The LeClaire  
Ranch**

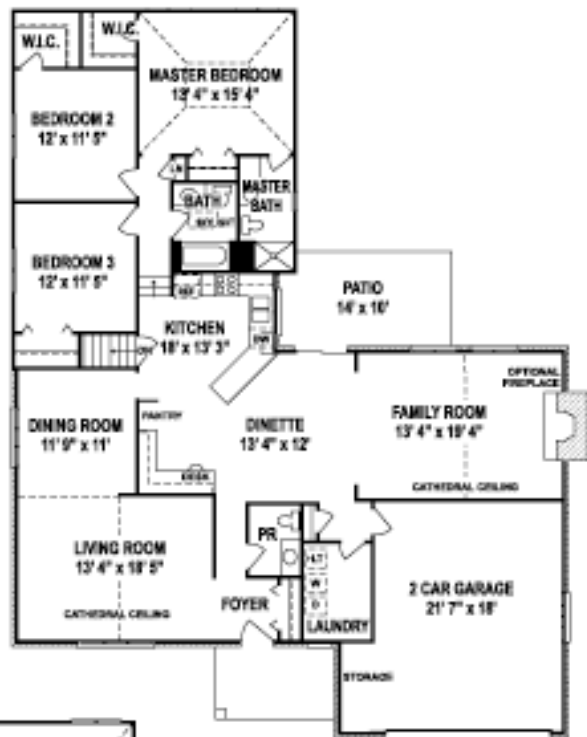

**PROJECT DESCRIPTION:**

Exquisite 3-step ranch design with 3 bedrooms and 2.5 baths. This home features a large family room and living room with a cathedral ceilings, formal dining room and oversized kitchen with desk area. *Customizing is available.*

**TESTIMONIALS:**

*Thank you for always being so accessible during our home building experience, it really gave us the confidence of the product. We love our home and our subdivision.*
