

**PROJECT:**

**NEW HOME CONSTRUCTION**

**The Lorel**

Two Story

**PROJECT DESCRIPTION:**

A 2-story traditional design with 4 bedrooms, 2.5 baths. There are walk-in closets in three of the bedrooms, an island in the kitchen and luxury master bath with separate shower and whirlpool tub. A 3-car garage is included.

*Customizing is available.*

**TESTIMONIALS:**

*We love, love, love our new home! Thank you for always making us feel welcomed, even while we were being a pain in the process. This is our second building experience and the best by far. We will be telling everyone we know to build with Cachey builders!*
